Couldn’t register for the Patient Portal in our office today?

Follow these 4 easy steps to register at home.

Step 1
Go to our Patient Portal. Click **Sign up today** to create a new account.

Step 2
Enter your name, date of birth and contact information.

Step 3
We will send you a temporary passcode by email, call or text. Enter the **temporary passcode**.

Step 4
Create your new **password**. Your password must be 8-20 characters and include one upper and one lowercase letter and one number or symbol.

If you receive a temporary password in the office today, make sure you complete your portal registration before leaving the office because this password will expire.
