UNDERLYING HEALTH CONDITIONS

Nevada is using CDC guidance to identify the specific underlying health conditions that cause a person to be at an increased risk of severe illness from COVID-19.

I have reviewed Department of Health and Human Services Technical Bulletin dated March 3, 2021 on the update to the Nevada State Immunization Program Guidance on Vaccine Access for Nevadans with Underlying Health Conditions.

I have the following underlying condition (s) :

CONSENT FOR SERVICES: I have been provided with the Vaccine Information Sheet(s) or patient fact sheet corresponding to the vaccine(s) that I am receiving. I have read the information provided about the vaccine I am to receive. I have had the chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of vaccination and I voluntarily assume full responsibility for any reactions that may result. I understand that I should remain in the vaccine administration area for 15 minutes after the vaccination to be monitored for any potential adverse reactions. I understand if I experience side effects that I should do the following: call the hospital, contact my doctor, call 911. I request that the vaccine be given to me or to the person named above for whom I am authorized to make this request.

AUTHORIZATION TO REQUEST PAYMENT: I do hereby authorize BMGH to release information and request payment. I certify that the information given by me in applying for payment under Medicare or Medicaid, or the HRSA COVID-19 Program for Uninsured Patients, is correct. I authorize release of all records to act on this request. I request that payment of authorized benefits be made on my behalf.

DISCLOSURE OF RECORDS: I understand that BMGH may be required to or may voluntarily disclose my health information to the physician responsible for this protocol of specific health information of people vaccinated at BMGH (if applicable), my Primary Care Physician (If I have one), my insurance plan, health systems and hospitals, and/or state or federal registries, for purposes of treatment, payment or other health care operations (such as administration or quality assurance). I also understand that BMGH will use and disclose my health information as set forth in the BMGH Privacy
